6) In this office letter to the Dy Comr (R 26) it was pointed out that the Patel cannot give particulars of unprotected cases as it is the duty of the Supdt of Vaccination to maintain the registers pertaining to Vaccn. This aspect of the question seems to have lost sight of. Probably the Patel is required to ascertain by enquiry and furnish information of unprotected cases. As the Supdt can easily make out a list of unprotected cases on a reference to the birth register & registers showing Vaccinated cases, the Patel may be relieved of this duty. A copy of the Engg.
